

Bullard's Jones earns a service scholarship

Jeremy Jones of Bullard is the 2007 fall semester recipient of a service scholarship at The University of Texas at Tyler, Dr. Lou Ann Berman, assistant vice president for student success, announced.

Jones, a UT Tyler junior, received the Bonnie and Scott Palmer Service Scholarship.

The amount awarded is \$500.

"I am thankful for the scholarship and the chance to further my education," said Jones.

The scholarships are presented to exceptional UT Tyler students who show service accomplishments for non-profit organizations and/or on the UT Tyler campus.

To be considered for the award, students completed an essay detailing service project involvement and how the service contributed to their academic goals and personal growth.
