LIFE INSURANCE COMPANY

Today's Options is offered by The Pyramid Life Insurance Company, a Medicare Advantage Private Fee-for-Service organization that contracts with the Centers for Medicare and Medicaid Services (CMS). A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital must agree to accept the plan's terms and conditions prior to providing healthcare services to you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may not provide healthcare services to you, except in emergencies. Providers can find the plan's terms and conditions on our website at [www.todaysoptions.com/providers.aspx](http://www.todaysoptions.com/providers.aspx).
