for

COUNTY COMMISSIONER

Pct. 1

100 % Commissioner

100% of the Time

I want to be your commissioner...

I'm a people's commissioner. I am not supported by any special interest group. I want to be commissioner for the people of Smith County. My position as your commissioner will be a full-time position with no other business obligations. I will be there when you need me. This will not be my second job - it will be my only job. I will devote 100% of my time to being the best commissioner that I can be.

Feel free to call or come by with any questions you may have. I'll enjoy visiting with you!
