## Some winter vegetables in Bullard

Becky Alsbrooks picked some fine looking vegetables out of the garden near her home.

## Key Clubbers to collect canned goods

On Friday, January 16, members of the Bullard High School Key Club will be participating in a "hunger lock-in". Between the hours of 6 and 8 p.m. groups of students will be going door-to-door asking for your assistance in helping accumulate necessary items for their scavenger

hunt. They will be searching for items such as canned corn, beans and jars of peanut butter.

"This is a fun way for us to get the community involved in what we are doing," said Key Club president, Monique Gordon. "We'll be knocking on your door soon."

The goal is to bring in over 200 food items from the scavenger hunt alone. In addition, club member will have to "purchase", by trading canned good items, certain "perks" during the lock-in: Snacks, movie passes and other entertainment opportunities will be available.

## Relay for Life announced 2009 theme for Cherokee

Everyone has a special time that they recall in their lives and more often than not, that special time often has a soundtrack to it. With that in mind, the Cherokee County RFL committee picked a theme suggested anonymously by one of their own committee members who thought that the idea of song would be a theme that the 2009 Relay could embrace and make their own.

The tag line "Music inspires us, memories sustain us, and the fight against cancer unites us" has been adopted by the committee and was submitted by Ann Kelly, longtime RFL volunteer, who currently serves as the Accounting Chair for the Relay. When you think about music, there are all types and genres that can be used. It offers such a vast group of ideas that it is almost limitless. Music may very well be the most powerful communication medium in our society.

Teams can pick from songs, groups, albums or CD's or just about anything related to music and song and adapt it to their own interpretation as it relates to the idea of preventing or fighting cancer. Also, it can be very meaningful as a celebration of life for survivors and a memorial for those that have lost their battles with cancer. Teams will be able to adopt their

song or music selection and create campsite decorations related to that choice. It will be such fun on the night of Relay For Life on April 24, 2009 to walk through the event and see all of the many different ideas that have been adopted. It is a theme that is very original and the committee has not seen it used in the East Texas area.

The theme will be highlighted at the Kick-Off party scheduled for Monday, January 19th, 2009 from 5:45 PM until 7:00 PM. The Kick-Off will be held at the Cherokee County Co-op Building on Hwy 69 between Rusk and Jacksonville.

Anyone who is interested in becoming involved in the 2009 Cherokee County Relay For Life in any capacity is encouraged to attend this kick-off. The RFL Committee will share this year's event goals and introduce other resources to assist teams and volunteers in contributing to the success of the event. Teams registration will also begin on this evening and points will be awarded to teams for attending the Kick-Off.
