Bullard student injured

A Bullard Middle School student escaped serious injury after he was stuck by a vehicle according to Bullard Police Sgt. John Walker.

Bullard police responded to an emergency call at about 3 p.m. Friday, Sept. 25, in the Bullard Middle School parking lot. A 14-year-old Bullard student was standing behind a vehicle following a pep rally and was reportedly talking to someone inside the vehicle when another vehicle struck him while the driver backed up.

Walker said the moving vehicle grazed the student, who was transferred to Mother Francis Hospital in Tyler. He suffered minor injuries to his legs. No other injuries were reported and the driver was not cited for any violation.

Brook Hill happenings —

The science department at The Brook Hill School has a display from the personal collection of Dr. Christopher Walker a black bear skull, bobcat skull, coyote skull and several tree identification books. They are an invaluable tool to giving the dual credit environmental classes hands-on experience in comparative anatomy. Pictured are Preston Swink, Hyosan Jung, John Clardy, Anna Mae Stevens, Luke Clardy, Young Seo Nho, Brian Park, Samantha Karam, Erica Eden and instructor Travis Bunger.

The students in John Payne's physics class at The Brook Hill School have been performing exploratory labs that include force tables and air tracks. Concepts the students learned included inertia, vectors, degrees of a circle, forces, motion, momentum, friction, vacuum, atmospheric pressure, displacement, coefficient of friction and mass. Students include JiHyun Kim, Gordon Change, Seung Ah Lee, Gibeom Park and Timmy Bennett.

The third grade students at The Brook Hill Lower School led the first student run chapel for the 2009-2010 school year Sept. 23. Their play was titled "To Be Kind or Not?" Their song, "Fruit of the Spirit", emphasized how important it is to be kind to others. Participants included, front row, Hayden Hommel, Logan Mimms, Zoe Ward, Emma Bynum, Alexandra Koenig, Amie Regester, Grace Brasher; and back row, Lawson Barker, Wesley Tolleson and Reagan Mackey.

The doctor is in network

Finding out that a physician you want to visit isn't covered by your insurance plan is inconvenient, to say the least.

So you'll be relieved to know that physicians and medical professionals at ETMC First Physicians clinics are in-network providers for most insurance plans.

And that's really convenient, because with approximately 160 providers at 50 clinics in 30 communities throughout East Texas, the doctor is probably in — and always in-network.

To schedule an appointment, please call 903-596-ETMC or 1-866-333-ETMC.

BISD to change way students are retrieved

There will be a change in the way parents and family members pick up students at Bullard Intermediate School, according to the Bullard Independent School District Superintendent Keith Bryant.

"Because of our desire to ensure student safety after school, we are altering the pick-up procedures at Bullard Intermediate School beginning Monday, Oct. 5," he said.

Starting after school Oct. 5, all sixth-grade students who depart in a vehicle must be picked up at the front of

the school. All fifth grade students who depart in a vehicle must be picked up at the southeast corner of the school along School House Road. The district will no longer allow students to be picked up on the grassy area on the west side of the Intermediate School.

"This only applies to students being picked up after school," Bryant said.

For more information and to view a map that depicts the pick-up zones, visit the school's Web site at www.bullardisd.net.

Gospel concert slated

A gospel concert featuring the Down East Boys from North Carolina and the Goldens from Tyler will begin at 6 p.m. Saturday, Oct. 17, at the Texas Gospel

Music Hall in Athens, 6513 Highway 19, in Athens.

Doors will open at 5 p.m. For general admission and ticket prices, call (903) 677-2492 or (903) 477-8084.
