Brook Hill honor students —

(Photo Courtesy of Linda Seronello)

Of the more than 50,000 students who took the PSAT/NMSQT exam in the fall of 2008, three Brook Hill students received official recognition. Seniors Megan Troxell and Kyle Tabler were honored as Commended Scholars by the organization with scores placing them in the top 16,000 scores worldwide and in the top 5 percent of scores in the state of Texas. Senior Jamee Eslicker has been named a Semi-finalist and advances in the competition. Her score placed her in the top 521 in the state of Texas. She is only one of eight students from public, private and home-schooled students in the East Texas area to receive this honor. National Merit Finalists will be announced in the spring. Pictured are (l to r) Brian Nelson (Academic Counselor); Connie Russell (Director of Academics); Jamie Eslicker, Kyle Tabler and Rod Fletcher (Headmaster). Not pictured is Megan Troxell.

Elementary School honor roll released

The Bullard Elementary School Honor Roll for the first six weeks was released.

Honor roll students are:

Second Grade

Storm damaged not from tornado

The National Weather Service has determined that the storm damage in Bullard Friday, Oct. 9, was not from

a tornado.

According to, Science and Operations Officer Ken Falk of the NWS in Shreveport, Louis., the agency surveyed several storms that occurred that day but not the Bullard area. The agency did not have the manpower to surveying survey everywhere. However, he said, all the damage surveyed was determined to be straight line wind damage, except for one "short tornado" near Farmersville, Louis.

"I feel confident the damage in the Bullard area is also from straight line winds," Falk said. "We had a significant line of thunderstorms move through that area, which is consistent with producing straight line winds."

Wear a smile! It's the perfect accessory!

At ETMC our mission is to improve the quality of life in East Texas communities.

And we just don't talk the talk.

We walk the walk — on treadmills, indoor tracks and stair steppers, in walking programs and during physical rehabilitation.

We swim the stroke — during lap swims, swimming classes and water aerobics, in arthritis classes and water therapy.

And we breathe the breath — on exercise equipment; in youth boot camp and aerobics, yoga, Pilates and other fitness classes; in physical therapy; and in cardiopulmonary rehabilitation sessions.

With 16 cardiac and physical rehabilitation programs, and ETMC Olympic Centers located throughout the region, ETMC does the heavy lifting in healthcare.

We're about more than healthcare.
We're about your health.

ETMC Olympic Centers are located in Canton, Chandler, Gun Barrel City, Hideaway Lake, Jacksonville, Mineola, Rusk, Sulphur Springs and Tyler, with new facilities opening soon in Lake Palestine and Pittsburg.

You'll find outpatient rehabilitation programs in the locations listed above and in Athens, Carthage, Crockett, Fairfield and Quitman. Services include cardiovascular and pulmonary rehabilitation programs; physical, occupational and speech therapies; and hydrotherapy. Functional capacity evaluations and impairment ratings are also available in Tyler.

To join an ETMC Olympic Center or to learn more about rehabilitation services, call **1-800-338-7293**.

A not-for-profit organization committed to improving the quality of life in East Texas communities. | www.etmc.org One with East Texas
